Joan –

Here is the draft strategy that Sandy Stavnes and I have developed. We meet with you this Thursday at 8am and wanted to give you an opportunity to review before then. However, we can just walk you through this during our meeting if you prefer.

We want to make sure we are delivering what you had in mind before we engage more people and flesh out more detail. We also want to ensure that a Uinta Basin Team has the opportunity to formulate a strategy they buy into.

The strategy is therefore organized by a 2-3 page “Framework” where we lay out the approach to this buy-in followed by the details of the strategy – here you will see how Sandy and I propose to organize the strategy and reporting out.
